8. Great care is made to keep the institution and its surroundings clean and green.

Locational Knowledge and Resources

This institution has an advantage of being centrally locationed. Banking sectors, health care centers, hospitals, cooperating and model schools, temples of worship, railway stations surround the college within very less distance. Bakery, stationery shops, pharmacies are at our disposal. On the call doctors are available across the road. Resource persons, University personnel, faculty from colleges of education, principals and staff from cooperating schools are invited for seminar, workshops and conferences. Benefits of sharing expert advise from the parent university is possible for it is situated at a closer distance.

Faculty exchange is convenient for travelling to to the parent unibersity for reading of video lessons pertaining to B.Ed. and M.Ed. curriculum. Faculty can also visit the parent university for declaration of results and seek clarifications in any areas of administration and academics.

The playground in the camps is utilized for purposes of sport and games. At times the spacious halls are used for large scale events. Students and staff have the usage of an in-house gymnasium furnished with exercise necessary equipment. Adjacent to the college is a site – Sacred Space wherein cultural exhibitions, mental and physical well-being activities are held. Handloom exhibitions of weavers are organized at this centre which would give an exposure for cultural studies project in this college.

Travelling agencies and immigrations consultants are some of the much needed resources available on the same street as the college for instant bookings on emergency.

A womens hostel for women nearby is recommended to students travelling from a distance, which can be availed at affordable prices, especially during examination.
